

CARNIVAL GAME INSTRUCTIONS

Corn Hole

To start the game:

- Boards are placed 27 feet (9 yards) away from each other
- Play begins by choosing partners (4 players = 2 for each team. One member of each team stands at each board)
- Choose who goes first.
- Players take turns throwing 4 bags per round, attempting to land their bags in the hole, on the board, or knock the other player's bag off the board.
- Each player throws from their respective side of the board and cannot step past the front of the board (much like bowling).
- Winning team of each round throws first next round.
- The first team to 21 wins.

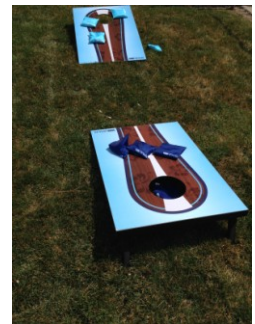

Scoring:

Each bag that lands on the playing surface is 1 point

Each bag that lands in the "cornhole" is 3 points

Points cancel out (i.e. if team one has three bags on the board and team two has one bag on the board, then team one receives 2 points)
